

Lothrop, Terrace, & Darragh Streets – Waterline Replacement Project

PROGRESS AND LOOK-AHEAD:

- Installation of main waterline on Phase 1 is 100% complete. Remaining work includes final service tie-ins, hydrant installation, and sidewalk restoration.
- After confirming with the impacted stakeholders, the construction phasing plan was changed to allow work to continue on Lothrop Street up to Terrace Street, or Phase 3, in lieu of moving from Phase 1 to 2.
- Installation of main waterline on Phase 3 is 10% complete.
- The project is approximately 20% complete.
- The anticipated project completion date is November 2016, weather permitting.
